DMSF HOSPITAL

Davao Medical School Foundation was established in the year 1976, and is one of the top performing Medical School in Philippines, being Placed amongst Top 6 Medical Colleges.

Davao Medical School Foundation, Inc., inspired by the community orientation of the Founders, commits to provide humane and integral health sciences education and services education and services with emphasis on primary health care in the complementation of instruction, research, patient, community health care and community engagement & develop and nurture God-centred, Competent, compassionate, ethical and socially responsive graduate, Faculty, staff and health care providers.

With over 3000 students having completed their course and successfully practicing as doctor's in India and abroad, DMSF with its association with Transworld Educare Pvt. Ltd remains to be the most trusted Medical College Abroad for Indian Students. DMSF in addition to its own Hospital is also affiliated with Southern Philippines Medical Centre, Davao Doctors Hospital, Brokenshire Hospital & San Pedro Hospital, all together having a combined bed strength of over 4000 beds and hence, when it comes to clinical exposure, the students get an overwhelming edge.

SIMULATION

MANNEQUINS STATIONS

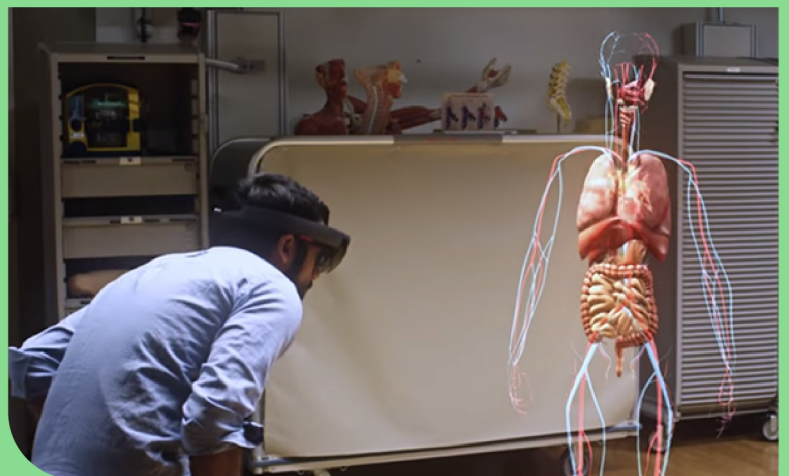

DMSF is the first medical college in all of the Philippines and only the second college in Asia to set up Simulation Mannequins Stations for Clinical teaching and Learning. Modern responsive mannequins are used which can be programmed to simulate a wide range of illness through which the students are taught clinical practices before their clinical rotations.

VIRTUAL REALITY

ANATOMY

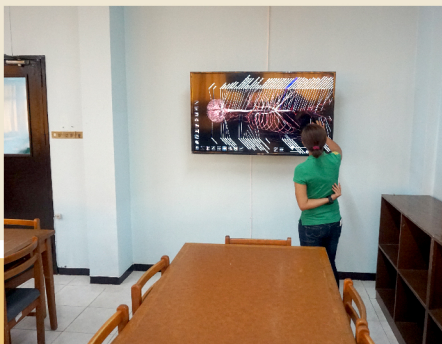

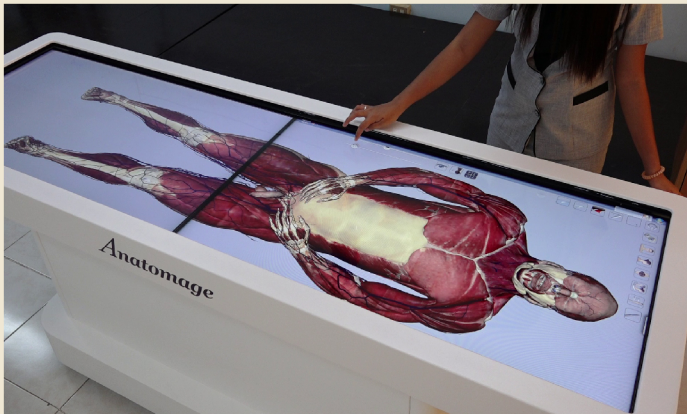

With VR becoming more commonplace in our day to day lives, DMSF allows students to utilize state of the art Virtual Reality Platforms to study Anatomy.

3D ANATOMAGE & CADAVERS

DMSF is the first college in the Philippines to install 3D Anatomage Table System.

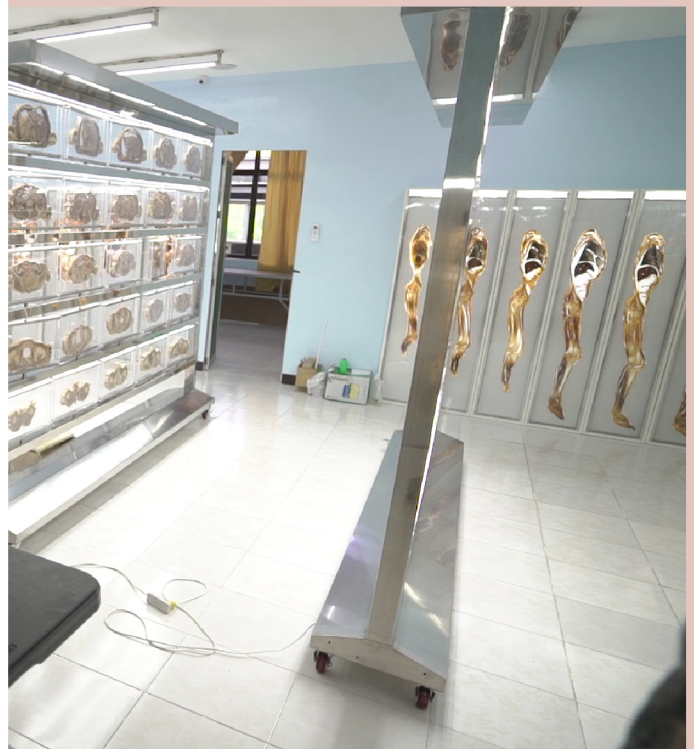

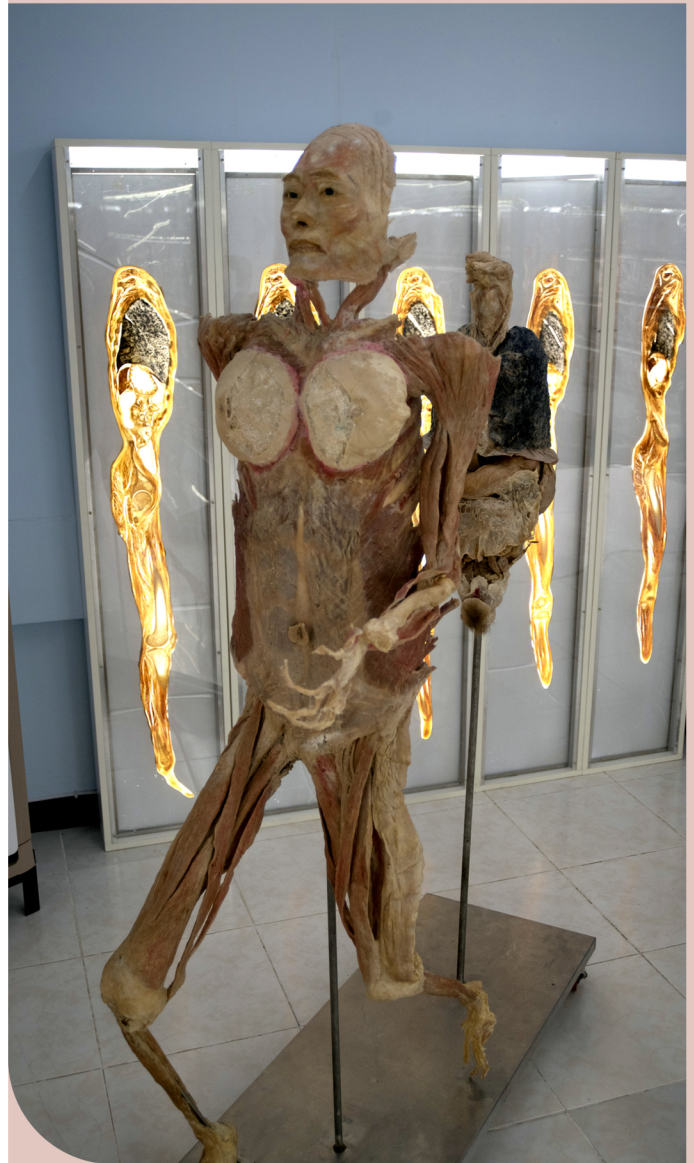

DMSF also boasts of a large number of cadavers for the students to practice on. At any moment, DMSF has over 50 cadavers which helps provide the students an ideal learning ground to hone their skills.

PLASTINATED MODELS

A new trend amongst the top Medical Colleges in the World, Plastinated models, are widely utilized for teaching. At DMSF students get the opportunity to study Human anatomy, as it is by using these meticulously crafted cross sections of a Plastinated Human body.

Testimonials

2020 Graduate

"What I love the most about it is its facilities. Each and every piece of lab equipment is a testament to the pioneering effort DMSF has put into better medical education. DMSF with its world-class quality education is no doubt one of the most recognised medical colleges in the world and I am grateful to be a part of this glorious institution."

Dr. BHARTI KRISHNA KANT

2020 Graduate

"Apart from a well-versed college curriculum, what I love the most about DMSF is its campus life. With a lot of indoor and outdoor activities and sports, the campus is always full of life and enthusiasm. Thanks to DMSF, I have been able to experience a college life like no other. Also, the college celebrates all the Indian festivals which make us feel at home away from home."

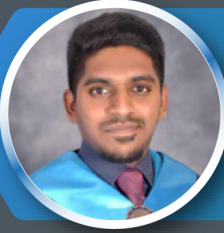

Dr. SHELAR ATHARVA PANDURANG

2020 Graduate

"The anatomy lab of DMSF is something to witness. With samples, latest techs, plastinated models, anatomage tables and more, the anatomy lab of DMSF never ceased to amaze me. There are some installations and equipment that are nowhere available in India. Thanks to DMSF, I have been able to witness, experience and learn from them all. I thank DMSF for giving me this opportunity to study and be a part of their glorious heritage."

Dr. NAIK ARTI HITESHBHAI

2019 Graduate

"Davao Medical School Foundation is tailor-made for the success of Indian students. From campus life to teaching methodologies, from accommodation to mess facilities, students from India can seamlessly merge themselves and practice among the best to develop a strong, successful career. I am grateful to my years in DMSF because of which I have been able to achieve my dream of becoming a doctor."

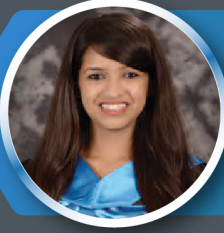

Dr. BRIGHTUS KOILPILLAI

2018 Graduate

In addition to the excellent teaching and Training offered by DMSF, the DMSF – Pune campus offers MCI Screening test coaching & training. I am thankful to Transworld and Kings International Medical Academy for these value added services.

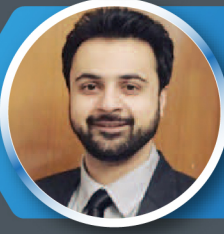

Dr. Balaaji Thirumaran – Tamilnadu,

2018 Graduate

I ranked 2nd in FMG Exam Screening test June-2018, this became possible because of the Quality Education, provided by the best faculties. DMSF gave me the better foundation to become a doctor with good hands-on practice during my clerkship. Thanks to DMSF.

Dr. Dr. Vatsala Singh – Mumbai

2011 Graduate

We were having discussion related to patients since the first year itself and the biggest advantage to me was we had 1 year of clinical rotations at different hospitals, which made me every adaptive to work in any kind of hospital be it government hospital with heavy work load or in private sector hospital.

Dr. Dr. Sagardeep Singh – Pune
