The Republic of the **PHILIPPINES**

The Philippines, Officially the called the **Republic of the Philippines**, is an archipelagic country is southeast Asia. Situated in the western Pacific Ocean, it Consists of about 7, 641 islands that's are categorized broadly under three main geographical divisions from north to south: Luzon, Visayas and Mindanao. The Country enjoys a primarily tropical climate similar to that found in India. It is one of the fastest growing economies in South East Asia and is regarded as one of the must-see tourist destinations in the world due to its serene beaches and picturesque Landscape.

Why Choose Philippines?

- ▶ Philippines is Primarily an **English Speaking Country** which enables the students to communicate easily with their Professors as well as patients during their clinical rotation, which is crucial.
- ▶ The country enjoys a steady Tropical Climate throughout the year which means that they have a **Similar Disease Spectrum to that found in India**.
- ▶ Students in their final year get Extensive Clinical **Exposure and Hands on Practice** in hospitals with Good Patient Strength due to a **population density similar** to what we find in India.
- ▶ The Country is Easily Accessible from India is overlapping proximity and Connectivity.
